Safety:

Maintain a safe area and always practice safety.

Do not leave machines switched ‘ON’ unattended. For safety, and to keep the level of white noise down.

At the end of each session, turn off the machine. Do not unthread machines fully, to change thread colours, simply tie off & pull through.

Only use the machines that you have been trained to use. Only use machines that you have booked; If a machine has an issue while you are using it, please immediately stop using and notify the Studio Manager. We will not be held responsible for misuse of equipment resulting in injury.

Wear closed-toed shoes, no flip flops or sandals are allowed as there are people working with sharp tools and equipment in the studio.

Keep the studio tidy and smelling fresh; We understand projects have a habit of spreading while you’re working, please do your best to be considerate of others in the studio & keep personal belongings in your designated workspace.

All studio tools used must be returned to their storage area at the end of your rental session.

Ethics:

Be respectful of every studio guest within and out of the studio. As a courtesy, do not touch or use other people’s tools/materials without permission.

Hate-speech or bullying of any kind will not be tolerated and will result in immediate termination of your rental without refund.

If you experience or witness any mistreatment please report it right away to the Studio Manager.

No loud music is allowed, the use of headphones is permitted.

We are not responsible for items left behind at the Studio after your rental session.

Specialised pressure foot may be available for shared use, please be respectful and return them at the end of your booked session. We have basic tool kits {sewing attachments} available for use during rentals, which must be signed for and returned after usage.

If you are unfamiliar with using a specific tool, machine, equipment or need a refresher, you may request a training session for \$7500JMD per hour. If you need a task to be completed on a machine that you do not know how to use, you may pay for it to be done for you, the cost will depend on the quantity and will be priced accordingly.

Personal tools should be labelled. We encourage you to label your personal tools and keep them stored securely.

Unless prior agreement, all fashion studio renters should take their personal tools with them at the end of each session. Overnight storage is only available for monthly renters, otherwise a storage fee will be applied.

We will not be held responsible for loss, damage of, or injury resulting from misuse of personal tools while in the premises.
